Office of Legislative Counsel

Thursday - 22 December 1955

1. Discussed with Mr. Fred Belen, Chief Counsel of the House Post Office & Civil Service Committee, the request from Cong. Davis for submission of estimates as to total number of CIA personnel in Washington as of June 30, 1956. Mr. Belen indicated that the letter had been signed in error, and that the Committee understood that CIA was not in a position to furnish any such figures.

A date was made, however, for Col. White and myself to get in touch with Mr. Belen immediately after the new year to discuss the results of the Agency survey on the possibility of manpower reductions. (cc - DD/S)
